Membership Application form “Friends of Bantry General Hospital (Ltd)”

The “Friends of Bantry General Hospital” are launching a major fundraising campaign. The target amount is €500,000, which will be used to provide a CT scanner in the X-ray Department. A CT scanner is crucially important in the diagnosis and subsequent treatment of many diseases for example, strokes, head injuries, cancer diagnosis etc.

Presently several hundred people from the Bantry vicinity travel to Cork Hospitals annually for a CT scan, which presently involves a 6 hour round trip including the wait in the CT Scanner area. The waiting time for a non-urgent CT scan can be between 2 and 4 months. This can be an anxious and lengthy wait for patients and their families.

The sole ambulance in the Bantry area is currently mainly used to transport hospitalised patients to and from Cork for scans rather than its intended purpose of responding to emergencies. The provision of a CT Scanner would enhance the level of services afforded to patients in the hospital and better serve our community.

The acquisition of a CT Scanner would greatly enhance the services on offer to patients in the West Cork/South Kerry area.

Please support this campaign! How can you help?

- Fill in a standing order form
- Make a donation
- Organize a fundraising event in your area or workplace
- Support local fundraising events
- Contact us with your ideas or suggestions

Please note that the minimum monthly standing order subscription, which can be accepted, is €5

We all need “Friends”!
