Friends of Bantry General Hospital Ltd.
c/o Bantry General Hospital,
Bantry,
Co. Cork

"Friends of Bantry General Hospital".

The "Friends of Bantry General Hospital" were formed in May 2004 with the objective of supplying diagnostic equipment for Bantry General Hospital. The initial goal of the Friends is the provision of a CT Scanner, which will greatly enhance the services on offer to patients in the West Cork/South Kerry area.

The Friends envisage that after the provision of the CT scanner they will continue to provide ongoing support to Bantry General Hospital, our most valuable community asset.

Please support the Friends of Bantry General Hospital

How can you help?-subscriptions can be made as follows

We all need "Friends"!
